MAIN MANU :

There are 3 main menus, including Live View, Site List, and Site Data.

1. Live View (main screen)

2. Site List

3. Site Data

The image shows a configuration dialog box titled "Mobile Viewer". It contains several input fields and options for setting up a video stream. The fields are: Name (DEMO1 (60.251.99.89)), IP (60.251.99.89), Port (80), Account (admin), and Password (admin). There are three radio buttons for "Video size": Small (selected), Middle, and Big. Below these are two spinners: "Stream number" (set to 1) and "Protocol type" (set to Auto). At the bottom, there are two checkboxes: "Rotation" and "Fit to width", both of which are unchecked. The dialog has an "OK" button and a "Cancel" button at the bottom.

Mobile Viewer

Name: DEMO1 (60.251.99.89)

IP: 60.251.99.89
